Hello Wayne and Frank,

I wanted to thank you both one more time for the great time my friends and I had on our bear hunt with you a couple of weeks ago. The hunting area was fantastic and the accomodations were first class all the way. All four of us had a hunt we will remember for the rest of our lives for sure. The fact that three of us out of four got our bears could only be referred to as icing on the cake.

Even though the "kid" didn't get a bear he had a really great time, and he told me to tell you that he would be back for sure to give it another try.

I am very sure as long as guys like you two are running Foggy Mountain Guide Service it will continue to remain the first class operation that it now is. I do know one thing for sure, and that is I will be looking foward to my next Foggy Mountain bear hunt like a kid waiting for Christmas.

Not only did we all have a super time, but we also had great hunting and made some great new friends at the same time. Like the guy on television says on the commercial " IT DON'T GET NO BETTER THAN THAT".

Best Regards,

*Maggie*
