Dear Wayne:

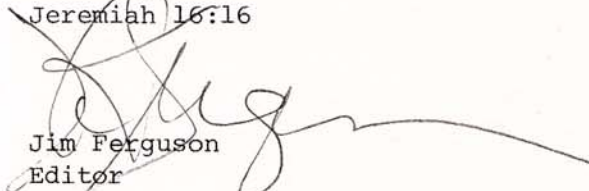

The hunt was really exciting. Being so close to such large predators without being detected is a testimony in itself to your knowledge of bears and bear hunting; not to mention the quality of your own Pro-Cover formula.

I'd like to thank you for the hospitality that you and your family gave me. The peace and love of God surely dwells within Foggy Mountain Guide Service.

If heaven is anything like Maine, I know I want to be there.

Let's do it again in the Spring of 1990.

Best Regards,
Jeremiah 16:16
