Dear Wayne,

Gary and I made the trip from Canada without any problems. I hope that you made it back to Maine and have had a chance to rest some.

Wayne, Gary and I can't tell you how much we enjoyed hunting with you. We appreciate your working so hard for us and your other hunters in hopes of scoring with a bear.

After hunting with you and getting to know you, we can understand why you were awarded "PSE Outfitter of the Year" for two successive years.

Wayne, we will return to hunt with you again. We don't give up that easily and we want a Canadian bear.

Sincerely,
