Dear Wayne,

The Department of Inland Fisheries and Wildlife has recently received a letter from a very satisfied client of yours. I have attached a copy of this letter for your files.

As the chairman of the Guide Advisory Board, I am very pleased to receive letters such as this. It is evident to me that with satisfied customers such as Scott and Missy Lefmann, your business will continue to benefit, as will the Department and the entire State of Maine. It is important that each of our anglers, hunters and other recreational visitors return to their home state with pleasant memories of the way Maine Guides have received them. Your service to these visitors has reflected the professionalism that all Maine Guides should strive for.

I congratulate you on a job well done.

Sgt. Mark Warren

Chairman of the Guide Advisory Board
