Dear Wayne,

I wanted to drop you a quick note to tell you how much I enjoyed talking with you and Jason at The SHOT Show in Dallas. He's a fine young man and I'm sure you're very proud of him. You and your son are the perfect example of why I work so hard to preserve the lifestyle we all enjoy so much. The world would be a much better place if people would get outside of their homes and offices and experience the beautiful outdoors! I firmly believe the drug use and crime rate would drop dramatically and I'm sure you do too!

Your kind offer to work around my schedule for a bear hunt is much appreciated, I hear great things about your bear camp and I'm sure I would enjoy the experience. I'll do my best to get up there. Enclosed is our '94 touring dates, please let me know if you need any tickets for friends or family. I'll take good care of them.

Best Wishes,

Dave Watson
