Dear Wayne,

Congratulations on winning, for the second year in a row, the PSE Outdoor Adventures 'Outfitter of the Year' Award.

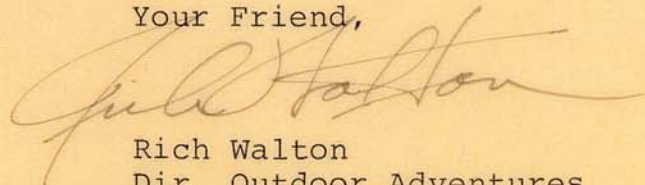

This is a remarkable achievement for anyone and certainly one to be proud of. Especially when taking in to consideration the scope of those eligible.

The PSE Outdoor Adventures Referral Service encompasses guides and Outfitters in the United States, Canada, Alaska and Africa with operations small and large in all environments. It's a demanding service that recommends only the cream of the crop. As you are well aware, that is our main function, recommending only the best.

By winning this prestigious distinction Wayne, you have the deep satisfaction of knowing that you didn't just win it over the rest, but rather you won it over the best.

Again I congratulate you and feel secure you will retain your present high standards and only choose to improve where you can.

Your Friend,

Rich Walton
