Dear Wayne The Bear Hunter:

What can I say, you have once again outdone yourself. We at Smith & Wesson and the Performance Center pride ourselves as being World Class suppliers of firearms by offering exceptional value and customer service and by exceeding our customer's expectations. We could all take lessons from you and your staff and family.

You always find time to answer questions, conduct an interview or just visit. I just wanted you to know it is very much appreciated.

It was a real pleasure hosting Outdoor Writers at your first class operation. I hope I have the opportunity again, but rest assured, I will be back to hunt one way or another.

As if all of this wasn't enough, I was able to take my first bear thanks to you and Horace. I think the best part of this trip was the opportunity to spend time with friends.

Great hunt, Great accommodations, Great company, Great Job!!

I also wanted to say thank you for the birthday card, it was very thoughtful.

Good Hunting,

Thomas J. Kelly
