Dear Wayne,

I want to say thank you for a fantastic week of hunting. I have been hunting in Canada at a few different lodges and not one of them holds a candle to Foggy Mountain.

Wayne all aspects of this trip were first class. From the house we stayed in which was nothing short of beautiful, to the woods we hunted which were breath taking to say the least, Bob did a wonderful job of putting us on baits that produced more than one bear, to you and your operation which is one of the best I have ever seen in regards to attitude and success.

Wayne it was a truly memorable week of hunting and friendship. I am already looking forward to coming back next year. Thank you for all your hard work and dedication to the sport of bear hunting you make it easy for the rest of us to enjoy ourselves and be successful in our hunts.

Sincerely,

A handwritten signature in dark ink, appearing to read "Dave Henneman", written in a cursive style.
