Dear Wayne:

This will be just a quick note to say thanks for a great time during our bear hunt this year.

It was a great thrill to see a magnificent animal like that in the wild and very satisfying to have him in the freezer now. I am looking forward to getting my bear skin rug in a few months.

Thanks for all your help and hospitality and hope to see you again in a year or two.

Sincerely,

C.M. Pohlenz, O.D.

PS. I am enclosing a sample of the medication that we talked about. This is salve that should be applied to the eyelid margins and rubbed into the base of the eyelashes each morning and evening, just a small amount is enough. If you need more, feel free to drop me a line.
